#### **Important Notice Regarding Prior Authorization Data**

The prior authorization information posted here may differ from data submitted to state or federal regulators, which may be compiled using different methodologies, reporting periods, data sources, or validation processes. This information is provided for transparency and informational purposes only and should not be relied upon as a complete or definitive representation of all prior authorization activity.

Additionally, the data presented on this website is derived from multiple operational systems and reflects information available at the time of publication. Due to system limitations, data integration constraints, and ongoing process enhancements, certain prior authorization requests, determinations, or attributes may not be fully captured or reflected in this dataset.
