

Community Partner Program Order Form

Welcome to the MHS **Community Partner Outreach Program**. We believe that better education and understanding of services, empowers members to take charge of their health. This free program offers tools and resources that can be used to help educate your staff, clients and partners about MHS and the programs we support. Available materials include easy to understand brochures, guides, framed posters, clip boards, giveaway items and more. We encourage you to take advantage of this free community resources program!
