

A Fresh Start for You

A behavioral health management program that rewards you.

MHS believes behavioral health is just as important as physical health. We have behavioral health case managers who help members with special healthcare needs by working together with you and your behavioral health doctor to make a plan of care. Behavioral health coverage is included with Hoosier Healthwise, Healthy Indiana Plan (HIP) and Hoosier Care Connect.

You can earn up to \$140 per year in My Health Pays® rewards by participating in the MHS *Fresh Start for You* program. You can use your rewards to help pay for everyday items at Walmart*, utilities, transportation, telecommunications (cell phone bill), childcare services, education and rent.
