To find a provider near where you live, either click on **Use My Current Location** or update your **Address** or **Zip Code** or **County + State**.
After the next page is fully loaded, choose a network, either Hoosier Care Connect, Hoosier Healthwise or Healthy Indiana Plan (HIP) depending on the program of the person you are searching for. For example, if you are searching for a doctor for yourself, and you are on HIP, choose HIP. Or, if you are searching for a doctor for your child, and he or she is on Hoosier Healthwise, choose Hoosier Healthwise.
After the next page is fully loaded, click the **Quick Name Search** to search by entering the Practitioner or Provider Name.

Enter the **Practitioner** or **Provider Name** and click **Search**.
Click the **Detailed Search** option if you are looking for a doctor, hospital or specialist.

Click on **Type of Provider** to find Primary Medical Provider, Hospital, Dental, Specialist, Behavioral Health, Clinic and Pharmacy options.
Choose **Ancillary** and the **Specialty** when you are looking for laboratories, durable medical equipment, home health or other types of providers.
When you click on **Additional Search Options**, you can narrow your search by choosing such things as the doctor’s gender, languages spoken and other preferences. You can also select to view only those providers that are accepting new patients. After you are done entering all search options, click **Search** at the bottom of the page.
A new page will load with a map showing the providers that fit your selections. You can also narrow down your search using a filter. To learn more about one of the listings, click on the blue bolded name.
A new page will load with more information about your selection. You can also switch addresses to see more locations for the provider.
To print this information, click the printer icon/button underneath the map. Then follow the normal printing process for your computer.
