

Secure Provider Portal

Manage patient administrative tasks quickly and easily.

 **Visibility of Multiple TINs**
One point of entry allows for quick and easy access to Allwell from MHS member information for multiple TINs/practices.

 **Access Daily Patient Lists from One Screen**
One concise view allows primary care providers to scan patient lists for Allwell from MHS member eligibility, care gaps, and much more.

 **Manage Batch Claims for Free**
Submit and manage claims, including batch files, for free. View detailed Electronic Funds Transfer (EFT) payment history.

 **Simplify Prior Authorization Process**
“Smart Sheets” feature prompts for required clinical information when submitting prior authorization requests.

 **Additional Features to Streamline Office Operations:**

- View patient demographics & history
- Secure messaging between provider & Allwell from MHS
- Update provider demographics
