HIP Plans Color Coding in this Handbook

Depending on your income status, pregnancy status, and if you pay a monthly contribution, you may be in one of several HIP plans. To help show you the differences throughout your handbook, we have color-coded these plans:

Orange: HIP Plus

Blue: HIP Basic

Green: HIP State Plan (Plus and Basic)

Pink: HIP Maternity

Your benefits may vary, depending on what plan you are in. If you're not sure which plan you're in, you can login to mhsindiana.com to find out. Or, you can call MHS Member Services at 1-877-647-4848.

WELCOME TO MHS

 Managed Health Services

Emails from MHS

MHS will send you emails about your specific benefits, events in your city or town, and tips for healthy lifestyles. Make sure your email address is up-to-date with the State to get this important information.

MHS Member Services is here to help!

We can answer your questions about your health insurance, including benefits, doctors and MHS services. Here are some reasons you could contact Member Services:

- If you need to choose or change your doctor [page 8]
- To complete your Health Needs Screening [page 8]
- To schedule transportation [page 39]
- If you get an invoice or bill from your doctor or healthcare provider [page 9]
- To get language assistance [page 6]
- If you have questions about decisions made regarding your care

MHS offers a 24 hour live voice phone service in English and Spanish. You can leave a message, and MHS will call you back within one business day. Please contact MHS Member Services if you need help understanding any MHS written materials, such as brochures, flyers, letters and this handbook. We can send you materials in a different language or format, including Spanish, large print or Braille. You may also contact MHS Member Services to suggest changes to any of the policies, services and processes MHS provides to you as a member.

“As a valued MHS member, you will hear from us regularly by phone, mail and email. Please read and respond to all the information we send, as it is key for your health as well as keeping your coverage.”

If you don't hear from us, we may not have your correct phone number and address. Please tell us when you move or change your phone number.”

Stoshala Payne
Supervisor, Enrollment

Keep in Touch

Always let MHS and the State know if you move or get a new phone number or email address. If you move to another county or if you move more than 30 miles from your doctor's office, you may not be able to keep your doctor. Please call and talk to MHS Member Services if you move.

It's just as important to tell MHS and the State of any changes in your income or family (marriage, head of household changes, etc.). You can call 1-800-403-0864 or visit your local Division of Family Resources (DFR) office to report a change. When you report the change, you may be able to request a recalculation of your POWER Account contribution amount. Learn more about this on page 21.

MHS 24 Hour Free Nurse Advice Line

Everyone has questions about their health. If you have a question, you can reach the MHS 24 hour nurse advice line at 1-877-647-4848. The MHS nurse advice line is a free, medical advice phone line staffed by bilingual licensed nurses. It is open 24 hours a day, every day of the year. Here are some questions you might ask:

- Questions about pregnancy
- What to do if your baby is sick
- How to deal with asthma
- How much medicine to use/give
- When to go to the emergency room

Language Assistance

MHS provides bilingual staff or an interpreter to help members who speak languages other than English. We can help schedule appointments and answer questions over the phone. This service is free to use. Call MHS Member Services at 1-877-647-4848 and ask for language assistance.

Hearing impaired members can call the Indiana Relay Service at 1-800-743-3333 for TDD/TTY service. This number can be used anywhere in Indiana. Ask the operator to connect you to MHS at 1-877-647-4848, or to any other number. Tell your doctor if you need a sign language interpreter for your medical visits.

MHS Website: mhsindiana.com

MHS' website helps you get answers when it's convenient for you. If you don't have a printer, you can ask MHS to mail you any forms, web pages or any other printable information on mhsindiana.com, or the MHS Facebook or Twitter pages. These are some important pages on our website:

- mhsindiana.com/HIPscreening

When you take your health needs screening within 30 days of joining MHS, you get a \$30 My Health Pays® reward. Or take it within 90 days of joining MHS, and get a \$10 My Health Pays® reward! Learn more about My Health Pays® on page 40.

"MHS can provide an in-person interpreter for all languages, including for those who use sign language."

Check with your doctor first. If the doctor does not have someone on staff to help out, then MHS will provide an interpreter for you. Please call us at least seven days before your doctor visit so we can make these plans for you."

Health Needs Screening

The Health Needs Screening (HNS) is a questionnaire that asks you about your health history and if you have any healthcare conditions. We want to know about your health right away so we can help match your needs with the right healthcare team. That's why we offer a way to earn reward dollars with the My Health Pays® program. MHS will give you a \$30 My Health Pays® reward if you complete the HNS within 30 days of becoming a member. Or you can get a \$10 My Health Pays® reward for completing it within 90 days of becoming a member.

We will call you before 90 days are up, but you don't have to wait. Go to mhsindiana.com/HIPscreening, call MHS Care Engagement and ask to take the survey, or go to a Walmart pharmacy kiosk.

Set up a First Appointment and Get to Know Your Doctor

After you choose your doctor, please call the doctor's office within 60 days to make an appointment for your first checkup or preventive care visit. MHS cares about you having a successful medical home. This means you need to develop a relationship with a doctor you trust and go to for all your medical care. This doctor is also called your Primary Medical Provider (PMP).

Choose Your Doctor Right Away

MHS cares about you having a successful medical home. That begins with choosing MHS doctors for you and your family. As an MHS member, you get to choose the doctor you want. He or she will help manage your healthcare and help you get the services your family needs.

It's important you choose the doctor you want within 30 days of becoming an MHS member. If you don't, MHS will choose a doctor for you.

How to Choose your MHS Doctor:

First, find a list of doctors in your area:

- Go online at mhsindiana.com/find-a-provider, or
- Call MHS Member Services at 1-877-647-4848 and ask for a list.

Next, pick your doctor from the list. You can choose from the following types of MHS doctors:

- Family Practice
- General Practice
- Internal Medicine
- OB/GYN
- Pediatrician
- Endocrinologist

Last, tell us! You can tell us one of two ways:

- Choose your doctor through your Secure Member Portal Account at mhsindiana.com/login.
- Call Member Services at 1-877-647-4848.

Afterward, MHS will send you a letter confirming the doctor(s) you chose.

If You are Pregnant, Complete Your Notification of Pregnancy (NOP)

This form is available through your online account or by calling us. Completing this form can help you start earning additional My Health Pays® rewards.

WHAT TO DO NOW THAT YOU'RE ENROLLED

6
Months

1
Year

Get Your Preventive Care

The best way to stay healthy is to get your regular preventive care. Preventive care visits are FREE for all MHS members. Adults and children alike need preventive care and immunizations. Go to page 12 for a schedule of yearly exams, screenings and immunizations.

As a **HIP Plus** or **HIP State Plan Plus** member, getting certain preventive exams and screenings gives you HIP discounts, good towards your next benefits year. Learn more on page 14.

Keep Your Benefits

As your partner in health, we want you to continue receiving benefits if you need them. HIP now matches your health plan choice to the calendar year. You will pick your health plan once per year and stick with that health plan all year, January through December. This is your benefit year. Even if you leave the program and return during the year, you will stay with the same health plan. Each fall, November 1-December 15, you will have the chance to change your health plan for the next benefit year. You can do this by calling 1-877-GET-HIP-9 and letting them know you want to pick a new health plan for the next year. If you like MHS, do nothing! You will be automatically re-enrolled with us for next year.

This does not change your eligibility period for the program. You still have to go through your redetermination process every 12 months. This will occur based on what month you entered the program. You will get a reminder that it is time for your eligibility redetermination. If you do not respond as directed, you could lose coverage.

Benefit Year: January – December. Your benefit limits and POWER Account reset each January.

Eligibility Period: 12 months that starts when you are approved for coverage. This can be different for each person.

Forty-five days before the end of your 12-month eligibility period, the State will begin a process to see if you are still eligible for HIP. During this 45-day period the State will request additional information from you to determine your continued eligibility. **You must complete and return the requested information to remain eligible.**

If you are currently in the **HIP Basic** program, you will have the opportunity to “POWER Up” from **HIP Basic** to **HIP Plus** by paying a required contribution to your POWER Account. Remember, **HIP Plus** members don't pay copays, and have greater benefits, including dental, vision and chiropractic coverage. Find out more about **HIP Plus** on page 15. If you receive a request for more information to verify you continue to remain eligible for HIP, you must return it on time. If you do not return the requested information on time, you may be disenrolled from HIP and may be locked out for up to six months.

Do you know the date of your redetermination? Call your state caseworker or the FSSA Service Center at 1-800-403-0864 for help.

Always Show Your MHS Member ID Card

You must show your HIP member ID card each time you get medical care or go to the pharmacy. If you do not show your ID card, you may have to pay for your care. If you receive a bill for covered services or are told to file a claim, please contact MHS Member Services right away at 1-877-647-4848. Your card will look like this:

HIP Basic, Plus, State Plan and Maternity

Secondary Insurance

You must also show your identification cards for any other health insurance you have each time you get care. Please let MHS know if you have other health insurance. If you cancel or lose your other health insurance, please remember to speak with a state caseworker to update your information.

COVERED SERVICES AND HIP PROGRAM DETAILS

Covered Services

A covered service is a service that is paid for under your health benefits through Healthy Indiana Plan. Some services may not be covered under your benefit package. If a service is not covered, your doctor must tell you if you have to pay for the service. Some benefit packages have a monthly contribution payment and copays you must pay.

Your Benefits

The Healthy Indiana Plan (HIP) provides affordable health insurance for uninsured adult Hoosiers between the ages of 19-64. The program is sponsored by the State. It offers full health benefits including hospital services, mental health care, physician services, prescriptions and diagnostic exams.

Depending on your income status, pregnancy status, and if you pay a monthly contribution, you may be in one of several HIP plans, including **HIP Plus**, **HIP Basic**, **HIP State Plan** and **HIP Maternity**. Your benefits may vary, depending on what plan you are in. If you're not sure which plan you're in, you can find out through your secure portal account at mhsindiana.com/login. Or, you can call MHS Member Services at 1-877-647-4848.

The following benefits grid lists covered if the benefit is covered for all HIP plans. If a certain benefit is only available for some HIP plans, those plans are listed.

Be Proactive: Preventive Services & HIP Discounts

Exams, Screenings, and Immunizations

Every year, adults need to receive an annual check-up from their doctor. Depending on your age and gender, you may need certain screenings and even immunizations. As a HIP member, you can get rewarded for getting some of this regular care.

Women's Health Preventive Care

Women need certain health tests men don't need. These tests are simple screenings that can make a big difference. All women should talk to their doctor about getting preventive care screenings such as Pap tests, chlamydia tests and mammograms. Women's preventive health screenings and getting birth control (family planning) are self-referral services. That means you can see a doctor other than your MHS doctor. You do not have to get a referral from your doctor, but you must visit an Indiana Medicaid network provider.

(You can find this chart and more preventive care guides at mhsindiana.com. Click on For Members > Healthy Indiana Plan > Benefits & Services > Benefits Overview > Doctor Visits & Screenings))

“You can view statements that show your debits and credits (if you have a payment) to your POWER Account through your member account at mhsindiana.com/login. Learn more about the Secure Member Portal on page 7.”

Nancy Robinson
Senior Director, Provider
Network

Preventive Services for HIP Discounts

MHS wants you to get your needed preventive care. This is why preventive services are not paid from your POWER Account. In addition, managing your account and getting preventive care can reduce your next year’s contribution. If your healthcare expenses through the year do not use all of the funds in your POWER Account, you may rollover the portion of the remaining balance that you contributed towards your next year of HIP coverage. This is called Member Rollover. You can also have your Member Rollover doubled if you get certain preventive services. By managing your account wisely and getting recommended preventive care, you can reduce or eliminate your required contributions next year with rollover.

For example, if you paid \$240 total in contributions for your benefit year (\$20/month), you paid 10% of the annual POWER Account. If you end the year with \$1,000 remaining in your POWER Account, you get to rollover 10% of that to next year, or \$100.

If you receive preventive services, you can double that Member Rollover, and get \$200 towards your contribution for your next benefit year. That \$200 would reduce the amount you pay in POWER Account contributions in the next benefit year.

Any preventive service will qualify you to double your rollover account. Here are some examples:

SERVICE	APPLICABLE APPLICATION
Annual Physical	All
Blood Glucose Screen	All, disease-specific
Tetanus-Diphtheria Screen	All
Cholesterol Testing	Males over age 35, females over age 45
Mammogram	Females over age 50
Pap Smear	Females between 21-50 years of age

*Check with your doctor about specific recommendations based on your age and medical history.

Since it can take up to four months for your doctors and your health plan to settle all payments from the POWER Account, these reductions will be available to you in the fifth month of your next 12-month period of HIP enrollment.

Your HIP Plan – The Differences

Depending on your income status, pregnancy status, and if you pay a monthly contribution, you may be in one of several HIP plans, including **HIP Plus**, **HIP Basic**, **HIP State Plan** and **HIP Maternity**. Your benefits may vary, depending on what plan you are in. If you're not sure which plan you're in, please call MHS Member Services at 1-877-647-4848.

HIP Plus

HIP Plus is the plan for the best value! You get the most benefits at a low, predictable monthly cost.

HIP Plus benefits include all of the required essential health benefits. In addition, it includes dental, vision and chiropractic services, plus services for bariatric surgery and temporomandibular joint disorders (TMJ). And, there are fewer limits on annual visits to see physical, speech and occupational therapists.

HIP Plus members pay an affordable monthly contribution, based on their income, called a POWER Account Contribution (PAC). If more than one family member in a household is enrolled in HIP Plus, the contribution amounts will be combined on the monthly invoice. Invoices are sent by mail to your home address. If you are eligible for the Healthy Indiana Plan (HIP) and you are a tobacco user, you may have an increased PAC in your second year of coverage. Learn more about the surcharge and how MHS can help you quit in the Care and Case Management Programs section of this handbook.

HIP Plus Copay Amounts

Paying a monthly contribution to stay in HIP Plus can be cheaper than HIP Basic, because you do not have to pay a copay at the time of service for many services:

Outpatient Services – Including Doctor's Office Visits	\$0
Inpatient Services – Including Hospital Stays	\$0
Preferred Drugs	\$0
Non-Preferred Drugs	\$0
Non-Emergency ER visit	\$8

Late Payments & Disenrollment

Monthly contributions are due by the due date listed on the monthly invoice. After that due date, the member has 60 days to make their payment before they lose HIP Plus coverage. If you lose coverage due to non-payment, and have a household income greater than the federal poverty level (FPL), you cannot re-apply for HIP for up to six months. HIP Plus members who are medically frail, living in a domestic violence shelter or living in a state-declared disaster area are exempt from the lockout, and may re-apply.

HIP Plus to HIP Basic

Members who lose HIP Plus coverage due to non-payment, and have a household income less than or equal to 100 percent of the federal poverty level (FPL) will move from HIP Plus benefits to HIP Basic benefits, automatically. You will then have a copay for most services and prescriptions.

"If you are unsure if you should seek medical attention from an emergency room for a non-life threatening event, call your doctor's office first. If you can't reach your doctor, you can call the MHS 24 hour nurse advice line."

If either your doctor or the nurse advice line tells you to go to the emergency room, your visit will be covered in full. You will not pay an emergency room copay."

Stoshala Payne
Supervisor, Enrollment

POWER UP

If you are currently in the HIP Basic or HIP State Basic plans, make sure to "POWER UP" to HIP Plus / HIP State Plan Plus at the start of your next eligibility period. Pay your monthly contributions on time to stay in HIP Plus / HIP State Plan Plus!

Did you know you can use My Health Pays® Rewards to pay your monthly payment? See page 40 to find out how to earn rewards!

And, there are more limits on annual visits to see physical, speech and occupational therapists.

HIP Basic Copay Amounts

HIP Basic members do not have a simple, predictable monthly contribution. Instead you are responsible for paying for copayments at the time of service. Because of this, the HIP Basic plan could be more expensive than paying a monthly contribution to stay in HIP Plus.

Outpatient Services – Including Doctor’s Office Visits	\$4
Inpatient Services – Including Hospital Stays	\$75
Preferred Drugs	\$4
Non-Preferred Drugs	\$8
Non-Emergency ER visit	\$8

POWER UP

If you are currently in the HIP Basic or HIP State Basic plans, make sure to “POWER UP” to HIP Plus / HIP State Plan Plus at the start of your next eligibility period. Pay your monthly contributions on time to stay in HIP Plus / HIP State Plan Plus!

You can even use My Health Pays® Rewards to pay your monthly payment. See page 40 to learn more about earning rewards.

HIP State Plan

HIP State Plan benefits include all of the required essential health benefits, and some enhanced benefits such as dental, vision and chiropractic services. HIP State Plan members may or may not have copays, depending if they are in the HIP State Plan Plus or HIP State Plan Basic.

HIP State Plan Plus Costs

HIP State Plan Plus members pay an affordable monthly contribution, based on their income. If you do not pay your monthly contribution on time, you will be moved to HIP State Plan Basic. The HIP State Plan Plus members pay the same copay amounts as HIP Plus members:

Outpatient Services – Including Doctor’s Office Visits	\$0
Inpatient Services – Including Hospital Stays	\$0
Preferred Drugs	\$0
Non-Preferred Drugs	\$0
Non-Emergency ER visit	\$8

If you are eligible for the Healthy Indiana Plan (HIP) and you are a tobacco user, you may have an increased POWER Account Contribution in your second year of coverage. Learn more about the surcharge and how MHS can help you quit in the Care and Case Management Programs section of this handbook.

Representative

Are you pregnant? Tell us right away!

All you need to do is complete a Notification of Pregnancy survey. Get started:

- Sign into your Member Portal account and then fill out the Notification of Pregnancy form.
- Or, call an OB Nurse at 1-877-647-4848, Extension 20309 to complete it over the phone.

Pregnant HIP members' benefits change so that:

- You will not pay a monthly POWER Account contribution (PAC) while pregnant.
- You will not have copays for healthcare services while pregnant.
- You get additional benefits, including transportation to and from your doctor visits, chiropractic services and Medicaid Rehabilitation Option (MRO services) while pregnant.
- You could also qualify for an additional \$80 dollars of My Health Pays® rewards.

These extra benefits make it easier to see your doctor so you can get important prenatal (pregnancy) care. These services will begin the first day of the month after you've reported your pregnancy to MHS and the DFR.

Pregnancy benefits will end 12 months after your pregnancy ends. To avoid a gap in coverage, please tell MHS and the DFR as soon as your pregnancy ends. Login to your portal account to complete your “End of Pregnancy” form.

Medically Frail

Individuals with complex medical or behavioral health conditions, called Medically Frail, are eligible to receive HIP State Plan benefits.

An individual is Medically Frail if he or she has been determined to have one or more of the following:

- Disabling mental disorders (including serious mental illness)
- Chronic substance use disorders
- Serious and complex medical conditions
- A physical, intellectual or developmental disability that significantly impairs the ability to perform one or more activities of daily living like bathing, dressing or eating.
- A disability determination from the Social Security Administration

There are multiple ways to be identified as Medically Frail including:

- Through claims review
- By self-report
- At the request of your provider

If you would like to report Medically Frail status, call MHS Member Services at 1-877-647-4848. MHS is required to verify your request for Medically Frail status by having you complete a Health Needs Screening and reviewing the medical records from your doctor.

If MHS confirms your status as Medically Frail, you will receive HIP State Plan benefits.

Your POWER Account

The first \$2,500 of medical costs for your HIP benefits are paid from a special savings account called a **Personal Wellness and Responsibility (POWER)** Account. Every HIP member has their own POWER Account. The state pays most of the \$2,500, and if you are in **HIP Plus** or **HIP State Plan Plus**, you are responsible for paying a portion. The portion is your monthly contribution to your POWER Account and is based on your income.

FOR EXAMPLE:

Your contribution:	\$180 (\$15 each month for 12 months)
+ The state's portion:	\$2,320
= Total POWER Account funds:	\$2,500

Your POWER Account is debited each time you get healthcare services. If your yearly healthcare expenses are more than \$2,500, the first \$2,500 is covered by your POWER account, and expenses for additional health services over the \$2,500 are fully covered at no additional cost to you. The POWER Account can only be used to pay for covered services. You are responsible for paying for services not covered under HIP. You cannot use your POWER account card to pay for copays, prescriptions, or ER visits.

Did you know you can use My Health Pays® Rewards to pay your monthly payment? See page 40 to find out how to earn rewards!

Your POWER Account Statement

MHS will give you a monthly statement showing you:

- The amount you have paid so far in contributions towards your POWER Account.
- The amount you have spent so far on medical services from your POWER Account.

You can access your statement through your member account at mhsindiana.com.

Paying Your Monthly Contribution

MHS gives you easy ways to pay your monthly contribution:

- Cash/Check
- Electronic Funds Transfer
- Debit/Credit
- Payroll deductions by your employer
- Money Order
- Moneygram: Visit a MoneyGram retailer like CVS/pharmacy or Walmart. Find a MoneyGram location at 1-800-926-9400.
- With your My Health Pays® Rewards

You can pay using a debit or credit card online at mhsindiana.com. Or, you can get paperwork you need to set up auto-deduction and electronic fund transfers at mhsindiana.com. Click on For Members > Healthy Indiana Plan > Member Resources > Member Forms.

Potential Payment Problems

If you set up automatic payments, check to be sure the first automatic payment will start before you stop making one-time payments.

MHS will notify you if your payment cannot be processed so you can find another way to pay or help fix the problem. However, MHS has the right to charge a standard fee of \$25 for returned checks or other non-sufficient fund rejections.

Some kinds of payment methods may not show in your account right away. But, if you get a late payment notice from MHS after you already paid, please call MHS Member Services at 1-877-647-4848 to make sure your payment has gone through correctly.

COVERED SERVICES AND HIP PROGRAM DETAILS

Employer, Non-Profit & Other Contributions

Your employer, a non-profit organization or a friend or family member are allowed to pay some or all of your contribution. This is up to your employer or the organization and is not a requirement. The payment can be one-time or monthly. You can get a copy of the contribution form at mhsindiana.com. Click on For Members > Healthy Indiana Plan > Member Resources > Member Forms.

You are always responsible for your full payment. If your employer or the organization does not pay their agreed amount, MHS will send you a letter to let you know. You then have 60 more days to pay that amount after the past due date. If not paid by the additional 60 days, MHS considers the payment late, and depending on your benefit program, you could be disenrolled from HIP.

Your Monthly Contribution Amount

HIP Plus members pay an affordable monthly contribution, based on their income. The following table shows these amounts. If you are eligible for HIP and you are a tobacco user, you may have an increased POWER Account contribution (PAC) in your second year of coverage.

Tier	Monthly PAC Single Individual	Monthly PAC Spouses	PAC with Tobacco Surcharge	Spouse PAC when one has tobacco surcharge	Spouse PAC when both have tobacco surcharge (each)
1	\$1	\$1	\$1.50	\$1 & \$1.50	\$1.50
2	\$5	\$2.50	\$7.50	\$2.50 & \$3.75	\$3.75
3	\$10	\$5	\$15	\$5 & \$7.50	\$7.50
4	\$15	\$7.50	\$22.50	\$7.50 & \$11.25	\$11.25
5	\$20	\$10	\$30	\$10 & \$15	\$15

The state determines your monthly contribution amount. It is based on your income and family size. There are two ways to request a change in your payment amount:

- 1) If you have a “qualifying event”: A job loss or other change in income.
- 2) If you have a change in family size: A death, divorce, birth or a family member moving out of the household. You can request a change in payment amount due to a change in family size as many times as needed during your benefit year.

To start the request, you will need to complete the Report of Change Form, available at mhsindiana.com. Click on For Members > Healthy Indiana Plan > Member Resources > Member Forms.

BEHAVIORAL HEALTH

“Behavioral (mental health) problems are very common. But sometimes people don’t want to talk about these problems because they feel embarrassed or ashamed. This is known as stigma.

One thing we all can do is talk with people that have mental health problems.

This is a way to allow a person to talk about what is happening to them. When you meet a person with mental illness who is able to work a job or be a good neighbor, stigma is reduced.”

Margaret Richardson
Senior Director,
Case Management

MHS has behavioral health case managers who help members with special healthcare needs by working together with you and your behavioral health doctor to make a plan of care.

If you are having one of the following problems, please call MHS at 1-877-647-4848 and follow the prompts for behavioral health:

- You are worried about substance abuse or mental health issues
- You are sad or feel you need help
- You need names of therapists or doctors
- You need help to find resources in your community for mental health
- You don’t understand your mental health benefits
- You need mental health services and you are not near your home

Crisis Text Line

If you are in crisis and need support, you can text MHS to 741741. It’s free, confidential and available 24/7.

Covered Behavioral Health Services

- Diagnostic services
- Second opinions
- Crisis intervention
- Psychological testing
- Inpatient and outpatient
- Partial hospitalization
- Intensive outpatient programs
- Addiction counseling and treatment
- Substance Use Disorder Residential Treatment

Behavioral Health Programs

- **Pregnancy and Post-Partum Care:** If you are pregnant or just had a baby, you will get a survey and information about depression. If your survey shows you may be experiencing signs of depression, MHS will contact you. It’s important you get the help you need to have a positive pregnancy and a healthy baby.
- **Medicaid Rehabilitation Option (MRO) and Other Services:** Coverage of MRO and psychiatric residential treatment facility services is managed directly by the state of Indiana. MHS will work with the State and your doctors to coordinate this care.

- **Choose Health Program:** Designed to help individuals diagnosed with depression, ADHD or perinatal depression by giving them the tools to reach their health and wellness goals. When it comes to your health and well-being, it is important to understand mental health is part of overall health. As a part of the program, you will have access to another healthcare professional, your Choose Health Coach. We will work with you and your doctor to make sure you have everything you need to feel your best again. We will also talk with other members of the healthcare team, including mental health specialists, to help with any problems that may come up. Please contact us if you are interested in joining this program.
 - **Attention Deficit and Hyperactivity Disorder (ADHD) Program:** MHS' ADHD program helps you understand and manage the social, psychological and behavioral issues that often come with ADHD. We help you learn to address problems and live a happy, healthy life with ADHD.
 - **Depression Program:** Members who experience long periods of sadness, feelings of hopelessness or unhappiness may have depression. MHS' depression program helps you find the cause(s) of your sad feelings, solve any immediate crises, improve your level of functioning and get needed medication and/or counseling.
- **Intensive Care Management Programs:** MHS has case management programs for several behavioral health conditions.
 - **Autism/Pervasive Developmental Disease Program (Autism Spectrum Disorders):** MHS' program helps you get needed care and treatment to improve social, communication, behavioral, medical and other problems that may be present. We want to help you learn more about autism and how to work toward self-care management. We also work to help obtain other available services that can improve learning and other skills.
 - **Bipolar Disorder Management Program:** MHS' bipolar disorder program helps you understand your emotions. We want to get members the help they need to live a better, happier life. MHS partners with various providers who know how to treat people who experience symptoms of bipolar disorder.
 - **Hospital Admission Follow-Up:** If you have been in the hospital for a mental health or substance abuse reason, MHS can help you. MHS wants you to be safe once you go home. MHS will help make sure you go to your follow-up appointments and take all needed medicines as directed by the hospital.

DENTAL AND VISION BENEFITS

Dental Benefits

Dental Benefits are provided for members in the following plans:

- **HIP Plus**
- **HIP State Plan** benefits and **HIP Maternity** are the same as benefits offered for Hoosier Healthwise members. Please visit mhsindiana.com and click on For Members > Hoosier Healthwise > Benefits & Services > Dental Care.
- **HIP Basic** (ages 19 & 20 only)

Covered Routine Care for **HIP Plus** members of all ages & **HIP Basic** members ages 19 & 20 only:

- Evaluations and cleanings
 - HIP Plus & HIP Basic members age 19 & 20: 1 cleaning and 1 exam every 6 months
 - HIP Plus members age 21+: 1 cleaning and 1 exam every 12 months
- Bitewing x-rays (once every 12 months);
- Comprehensive x-rays (1 complete set every 3 years);

Covered Services for **HIP Plus** members of all ages only:

- Minor restorative services, such as fillings (4 per person per benefit year); and
- Major restorative services, such as crowns (1 per person per benefit year).

Some dental services must be approved in advance by MHS, including dentures and dental surgery. Your dentist can help you get approval.

Find a Dentist

- Go online to mhsindiana.com/find-a-provider

Your Dental Visit

During your visit, your dental provider will make sure your teeth and gums are healthy. If problems are found, your dentist or dental hygienist will recommend self-care and treatment.

Your Health History

Since oral health is linked to general health, your visit will likely start with your health history. Tell your dental provider about any health problems you have or medicines you take. This includes any over-the-counter medicines, herbs, or supplements you take, as well as recreational drugs you use. You may also be asked about your daily tooth and gum care. Tell your dental provider if you grind your teeth or often breathe through your mouth. You should also bring up any oral health issues that concern you.

Your Dental Evaluation

Your dentist or dental hygienist may start by screening for oral cancer. This involves feeling your neck and throat and looking inside your mouth. Then your dental provider will:

- **Examine your teeth.** If you have any tooth decay, it will be marked on your dental record. Notes will be made about any restorations, like fillings or cracked teeth.
- **Examine your gums.** A probe is used to measure any pockets (areas where the gum has separated from the tooth) and gum recession. Your dentist or dental hygienist will also evaluate any bleeding that occurs. (Bleeding gums can be a sign of gum disease.)
- **Take X-rays and impressions** (pictures and molds of the teeth), if needed. These will be put in your record so your dentist or dental hygienist can refer to them at your next visit. This helps keep track of any changes to your mouth over time.

DENTAL AND VISION BENEFITS

Cleaning and More

Depending on what your dental provider finds, the rest of your visit may include:

- A cleaning to help prevent gum disease. Your dental provider will clean below the gumline, where your toothbrush and floss can't reach.
- A cosmetic polishing to remove stains on the surfaces of your teeth (if needed).
- Further evaluation and treatment for any problems your dental provider finds. You may be referred to a specialist.
- Instruction for giving your teeth and gums the best care at home.

Vision Benefits

Vision Benefits are provided for members in the following plans:

HIP Plus; HIP State Plan; HIP Maternity, HIP Basic (ages 19 & 20 only)

- No prior authorization is needed
- Coverage available for covered services provided by a licensed chiropractor when rendered within the scope of the practice of chiropractic.

“You must show your HIP member ID card each time you get medical care or go to the pharmacy. This ensures you are getting to use the benefits that are a part of your plan.”

Stoshala Payne
Supervisor, Enrollment

When you need either prescription or over-the-counter (OTC) drugs, your doctor will write you a prescription. Your doctor will either contact your pharmacy directly, or you can take the written prescription to your pharmacy.

Find a Pharmacy

All MHS members must use an in-network pharmacy, including mail-order pharmacies. Find a pharmacy online at mhsindiana.com/find-a-provider.

Covered Prescriptions/Preferred Drug List (PDL)

Prescription drugs are covered if the drug is approved by the U.S. Food and Drug Administration (FDA). This includes self-injectable drugs (such as insulin), and drugs to help you quit smoking. OTC drugs are only covered if listed in the OTC drug formulary.

Items that you need to care for diabetes are also a covered benefit. This includes items such as needles, syringes, blood glucose monitors, test strips, lancets and glucose urine testing strips. You can get these items at your pharmacy.

Your pharmacy benefit has a Preferred Drug List (PDL). The PDL shows the drugs that are covered. A team of doctors and pharmacists update this list four times a year. Updating this list makes sure that the drugs are safe and useful for you and cost-effective for the Indiana Medicaid program.

Some OTC drugs are covered by Indiana Medicaid. Even listed OTC drugs require a doctor's prescription to be covered.

You can find a link to your PDL and OTC drug formulary on the MHS website at mhsindiana.com. Click on For Members > Healthy Indiana Plan > Benefits & Services > Pharmacy.

Non-Covered Prescriptions

- Drugs that do not have FDA approval
- Experimental or investigational drugs
- Drugs to help you get pregnant
- Drugs used for weight loss
- Cosmetic or hair-growth drugs
- Drugs used to treat erectile problems
- Drugs not on the OTC drug formulary

Generic and Preferred Drugs

Your pharmacist will give you generic drugs when your doctor has approved them. Generic drugs are the same as brand-name drugs and make healthcare more affordable. Generic drugs must be used when available. If they are not available, brand-name drugs may be used. Or, if the brand-name drug is less costly, then it may be considered the “preferred drug.”

Generic and preferred drugs must be used when available for your medical condition unless your doctor provides a medical reason you must use a different drug.

Prior Authorization for Drugs

Some drugs may need prior authorization from MHS. If you may need a drug that requires prior authorization, your doctor will need to provide information about your health in order for a decision to be made about whether or not MHS can pay for the drug. MHS covers some drugs injected in a doctor’s office or clinic and some medications taken by mouth that are classified as specialty drugs. These drugs must be approved through MHS before MHS will cover them. The list of specialty drugs is available on our website. Your doctor must send a request for prior authorization if:

- A drug is listed as non-preferred on the PDL or if certain conditions need to be met before you get the drug
- You are getting more of the drug than is usually prescribed
- There are other drugs that should be tried first

In most cases, you may get up to a three-day (72 hour) supply of a drug that requires prior authorization while you are waiting for a decision. The decision will be made within one day (24 hours) (not including Sundays or some holidays), and your doctor will be notified of the decision.

You or your prescriber can download copies of our prior authorization forms (including specialty forms) at mhsindiana.com.

“If you are unsure if you should seek medical attention from an emergency room for a non-life threatening event, call your doctor’s office first. If you can’t reach your doctor, you can call the MHS 24 hour nurse advice line.

If either your doctor or the nurse advice line tells you to go to the emergency room, your visit will be covered in full. You will not pay an emergency room copay.”

“Teens and young adults have special healthcare concerns and issues. It’s important to have a doctor who can address those needs. If you are close to age 18 and see a pediatrician, talk to your doctor about moving to an adult primary medical provider.”

Dr. Eric A. Yancy
MHS Chief Medical Officer
and Practicing Pediatrician

When and Where to Go for Care

It’s important to visit the right doctor for the right kind of care. You might hear the words Primary Medical Provider (PMP), practitioner, physician and provider from MHS. All these titles mean doctor or a facility where you get healthcare services.

Your Primary Medical Provider (PMP): You should visit your PMP for sick visits, regular checkups, immunizations (shots), prescriptions, referrals to specialists and hospitals, and pregnancy care.

Specialists: A specialist is a doctor who works in one healthcare area. For example, a doctor who only works with the heart (a cardiologist) is a specialist. In order to visit a specialist, you need to get a referral from your PMP, first.

Walk-In Clinic/Urgent Care Facility: Walk-in clinics provide high-quality care when quick medical attention is needed for non-life-threatening conditions.

Emergency Room (ER): Emergency care is there for you when you feel you have a life-threatening medical emergency. If you are not sure if you’re having an emergency, please call your PMP. If you cannot reach your PMP’s office, you can call MHS’ nurse phone line. If either your doctor or the MHS 24 hour nurse advice line advises you to go to the ER, then you will not be charged a copay for your ER visit.

You Deserve a Medical Home – A Primary Medical Provider (PMP)

You deserve a successful medical home, where:

- You and your doctor can build a trusting relationship.
- You have a place you can always go to for sick visits and regular check-ups.
- You feel that your doctor and his or her staff care for you and are responsible for your healthcare.

Visit your PMP for sick visits, regular checkups, immunizations (shots), prescriptions, referrals to specialists and hospitals, and pregnancy care. Your PMP will work to know your medical history, take the time to listen to your concerns, explain things to you in a way you can understand, and work with you to keep you healthy.

Always call your doctor to cancel appointments. If you do not cancel your appointments, and if you miss more than three appointments, your doctor may have the right to ask MHS to move you to a different doctor.

Choose or Change Your MHS Doctor

Whether you are choosing your doctor for the first time or changing your doctor, the process is easy and fast. You can change your doctor at any time. New members need to choose their doctor within the first 30 days of becoming an MHS member. If you do not choose a doctor, you are assigned to a doctor on the 30th day of your membership.

WHEN AND WHERE TO GO FOR CARE

First, find a list of doctors in your area:

- Go online at mhsindiana.com/find-a-provider
- Or call MHS Member Services at 1-877-647-4848 and ask for a list

Next, pick your doctor from the list:

- Family Practice
- General Practice
- Internal Medicine
- OB/GYN
- Pediatrician

And from the following types of doctors:

- Medical Doctor (MD)
- Doctor of Osteopathic Medicine (DO)
- Physician Assistant (PA)
- Nurse Practitioner (NP)
- Nurse Midwife
- Clinical Nurse Specialist (CNS)

Last, tell us! You can tell us one of two ways:

- 1) Choose your doctor through the Secure Member Portal at mhsindiana.com/login. New members can earn a reward by choosing their PMP this way.
- 2) Call MHS Member Services at 1-877-647-4848, and tell us who you want as your doctor.

Afterward, MHS will send you a letter confirming the doctor(s) you chose.

How Long it May Take to Schedule an Appointment

MHS wants you to get care when you need it. We work hard to build a network of providers that works for you, and our network keeps growing. But, sometimes you will still need to wait to see a provider. We use the State's standards for appointment wait times. Please call MHS Member Services if you have a question or concern about the appointment wait time at your doctor's office. Here is how long it should take to schedule an appointment with your doctor:

APPOINTMENT TYPE	APPOINTMENT SCHEDULED BY:
Urgent care or sick visits	Scheduled within one day (24 hours)
Non-urgent visits	Scheduled within three days (72 hours)
Adult preventive exams / annual well-care visits	Scheduled within three months
New pregnancy visit	Scheduled within one month
Child preventive exams / well-child check-ups	Scheduled within one month
Exams for children with special needs	Scheduled within one month

When you are in the doctor's office, you should only have to wait up to one hour for your scheduled appointment.

"The MHS Provider Relations team works throughout the year to add doctors, facilities and hospitals to MHS' network. The more MHS has to offer in our network near you, the more options there are for YOU."

Nancy Robinson
Senior Director, Provider
Network

Get the Most from Your Doctor Visit

- Arrive on time
- Bring your insurance card and photo ID
- Turn off your cell phones and other electronic devices
- Write down a list of questions to ask the doctor
- Bring your medical and shot records and any medicine you are currently taking
- Describe symptoms and complaints
- Ask questions and take notes during each visit
- Discuss next steps for your care plan with the doctor
- Schedule follow-up visits and any yearly check-ups

Specialists

A specialist is a doctor who works in one healthcare area. For example, a doctor who only works with the heart (a cardiologist) is a specialist. Your doctor may refer you to see a specialist if needed. Normally, your doctor will refer you to another MHS network doctor unless your medical condition could be better treated by someone other than an MHS network doctor.

When you visit a specialist, please make sure the specialist has the correct contact information for your doctor. Your specialist will send a report to your doctor that details your care plan.

Self-Referral Services

MHS allows for some self-referral specialist visits. A self-referral means you do not have to get a referral from your doctor. For a list of self-referral services for Healthy Indiana Plan, see page 11.

PMP or Specialist Office Changes

Sometimes you can no longer be assigned to a doctor or specialist because the doctor is moving locations, moving to a new health plan (no longer on the MHS plan), or because the doctor is no longer accepting patients of your age or gender. If this change happens with a doctor you are currently seeing, MHS will send you a letter to let you know. The letter will explain what options you have and if you can choose to stay with your doctor.

You may continue to see your doctor if they have left the network through the current period of active treatment, or for up to 90 calendar days, whichever is less, if undergoing active treatment for a chronic or acute condition. If you are pregnant and already in your second or third trimester you may continue with your doctor until 30 days after delivery.

Walk-In & Urgent Care Clinics

(NON-EMERGENCY/AFTER-HOURS CARE)

If you are having a medical problem that is not life-threatening but you're not sure what to do, you should always call your doctor first. Even if the office is closed, listen to the message and follow the instructions for after-hours care. MHS requires all doctors have an after-hours phone line. If you cannot reach your doctor, you can call the free MHS 24 hour nurse advice line.

If you are having a medical problem that is not life-threatening and need to see a doctor right away, please consider using a walk-in clinic or urgent care clinic before going to the emergency room.

Walk-In Clinics

Walk-in clinics provide high-quality care when quick medical attention is needed for non-life-threatening conditions such as:

- Sprains, strains, fractures and cuts
- Flu and cold symptoms
- Work-related illness or injuries
- Minor burns
- Stings or bites
- Ear ache, sore throat and fever

Urgent Care Clinics

Many clinics are open later in the evening and have extended weekend hours. Urgent care clinics help patients get care without waiting in the emergency room of their local hospital. These clinics may use physician assistants and nurse practitioners to treat you. Physician assistants and nurse practitioners are trained and supervised in providing medical care. They perform many of the routine services physicians usually provide. They can take medical histories, perform physicals and exams, order medications, lab tests and X-rays, and teach patients how to stay healthy.

Visit mhsindiana.com/find-a-provider to find a clinic near you.

"If you are unsure if you should seek medical attention from an emergency room for a non-life threatening event, call your doctor's office first. If you can't reach your doctor, you can call the MHS nurse advice line."

Emergency Room: Know When to Go

Emergency care is there for you when you feel you have a life-threatening medical emergency. A life-threatening medical emergency is an illness or injury of such severity, including severe pain, that the lack of immediate medical attention could reasonably be expected by a prudent layperson who possesses an average knowledge of health and medicine to:

- Place the individual's health (or with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
- Result in serious impairment to the individual's bodily functions; or
- Result in serious dysfunction of bodily organ or part of the individual.

"If you are unsure if you should seek medical attention from an emergency room for a non-life threatening event, call your doctor's office first. If you can't reach your doctor, you can call the MHS 24-hour nurse advice line.

If either your doctor or the nurse advice line tells you to go to the emergency room, your visit will be covered in full. You will not pay an emergency room copay."

Supervisor, Enrollment

When to Go to the Emergency Room

- Broken bones
- Gun or knife wounds
- Bleeding that will not stop
- You are pregnant, and either in labor or bleeding
- Severe chest pain or heart attack
- Drug overdose
- Poisoning
- Bad burns
- Shock (you may sweat, feel thirsty or dizzy, or have pale skin)
- Convulsions or seizures
- Trouble breathing
- Suddenly unable to see, move or speak

This is not a complete list of when you should get emergency care. If you have a health condition that occurs often (a chronic condition), talk to your doctor about what a life-threatening medical emergency would be for you.

When NOT to Go to the Emergency Room

- **Flu, colds, sore throats and earaches**
- **A sprain or strain**
- **A cut or scrape not requiring stitches**
- **To get more medicine or have a prescription refilled**
- **Diaper rash**

WHEN AND WHERE TO GO FOR CARE

Emergency Care Coverage

Emergency room visits do not need approval from your doctor or by MHS. However, if you go to the emergency room for a non-emergency health condition, you will have a copay of \$8.

If you are unsure if you should seek medical attention from an emergency room for a non-life threatening event, call your doctor's office first. If you cannot get a hold of your doctor, you can call the MHS nurse advice line.

If either your doctor or the nurse advice line tells you to go to the emergency room, your visit will be covered in full. You will not pay an emergency room copay.

Emergency Room Wait Times

In an emergency room, life-threatening emergencies are seen first. If you go to the emergency room for an injury or illness that is not life-threatening, you may have to wait for several hours to get seen. It is very important you see your family doctor or visit an urgent care center for non-emergencies.

Be Prepared Before an Emergency

Make sure you know the location and number of the closest emergency room to you. You can find one near you by using our "Find a Provider" search at mhsindiana.com/find-a-provider, or you can call MHS Member Services at 1-877-647-4848 and ask for a list to be mailed to you. If you have a life-threatening emergency, you can call 911 or your local emergency number to obtain emergency services. You have a right to use any hospital or other emergency setting for emergency care.

Emergency Care Follow Up

If you visit the emergency room, please give them the correct contact information for your MHS doctor. The emergency room staff will send a report to your MHS doctor that details your care plan and diagnosis. If you have to stay at the hospital, make sure you talk to the doctor on staff about why you are there. When you leave the hospital, the doctor on staff will give you instructions to follow. It is very important to follow all instructions, even if you are feeling better. The day after you go to the emergency room, or the day after you leave the hospital from an emergency admission, call to schedule a follow-up visit with your MHS doctor.

Post-Stabilization Care

Post-stabilization is a covered service you get after emergency care. This is care you receive after you are stabilized so your condition stays stable. When you visit the emergency room, the doctors and nurses must examine you and make sure you are well enough before they can allow you to leave. The doctor may decide you need other tests or services after you are stable but still at the hospital, and the doctor can call MHS to request other tests or services.

"If you go to the emergency room, remember to show your HIP member ID card. Tell the staff you are an MHS member. If you do not tell them, you may get a bill in the mail. If you do get a bill, please call MHS Member Services right away at 1-877-647-4848."

Coverage for Care Outside of Indiana

Walk-In or Urgent Care

If you are out of the state and need to go to a walk-in or urgent care clinic for a problem that is not life-threatening, you must call your MHS doctor or the MHS nurse advice line at 1-877-647-4848 to get approval before you go. Otherwise, you may have to pay for the services you get at the clinic.

Emergency Care

If you are outside of Indiana and have a life-threatening emergency, go to the nearest emergency room. Emergency room coverage for care outside of Indiana is covered. Learn more about emergency care on page 32.

Care From Out-of-Plan Doctors

Out-of-plan means the doctor or facility you want to go to is not part of the MHS provider network or Indiana Medicaid network. You could be responsible for charges from unauthorized out-of-plan care if the provider is not an Indiana Medicaid Provider or if the service is not covered by your MHS plan.

MHS only covers out-of-plan care if:

- MHS does not have a doctor in-plan to provide the services you need, or does not have a doctor in-plan within 60 miles of your home
- It is for continuity of care for a pregnant member who transferred to MHS during her third trimester
- MHS authorized the out-of-plan service

CARE AND CASE MANAGEMENT PROGRAMS

These programs are designed to improve the health of our members through education and personal assistance by our professional staff. Call us today to ask about how to get these services we designed just for you.

Health Management Programs

MHS has nurses who are trained to help our members with their health conditions. MHS also has social workers to assist you with emergency housing and utility needs as well as help connect you with community-based services. MHS may contact you to offer you these programs.

If you have or are at risk for having one of the following health conditions listed, please call so we can tell you more about our programs and help you enroll. If you would like to join a program or find out more, please call MHS Member Services at 1-877-647-4848. You can earn a CentAccount reward for certain programs.

Medical Case Management Programs

- **Chronic Kidney Disease (CKD) Program:** CKD is a disease where the kidneys become less able to clean waste and extra fluid out of the blood. MHS helps you to manage risks for CKD, such as diabetes and high blood pressure. This may help keep you out of kidney replacement therapy. Our team will help you learn how to improve your diet and help you get services for the disease and its causes.
- **Congestive Heart Failure (CHF) Program:** CHF is a disease that occurs when your heart is too weak to pump blood. Our CHF program focuses on medication (drug) management. This will help lessen your chance of heart attacks, strokes, ER visits and hospitalization.
- **Coronary Artery Disease (CAD) Program:** CAD happens when a substance called plaque builds up in the arteries that supply blood to the heart (called coronary arteries). Our CAD program helps you to deal with the effects of CAD, such as chest pains, physical limitations and high cholesterol. We do this through medication (drug) management, lifestyle changes, diet and other ways to cope.
- **Diabetes (“Sugar”) Program:** Diabetes is also known as “sugar.” Type 1 diabetes is a disease where your body can no longer make insulin. Type 2 diabetes is a disease where your body cells are less sensitive to your insulin. Both types can cause high blood sugar levels. Please contact us if you have diabetes.
- **Enhanced Asthma Management and Chronic Obstructive Pulmonary Disorder (COPD) Disease Management Programs:** Asthma cannot be cured, but most people with asthma can control their symptoms and prevent asthma attacks by avoiding asthma triggers and correctly using prescribed medicine such as inhaled corticosteroids. COPD is a group of lung diseases that cause you to have trouble breathing. Our programs will help you stay healthy by stopping acute episodes before they happen and keeping you out of the emergency room.

“You are the one taking care of you and your family. However, persons with health conditions stay healthier, longer, when they have someone in their corner. Case managers work along with your doctor to help remind you to get all of your important preventive care.”

Pregnancy & First Year of Life Programs

Start Smart for Your Baby® and MHS Special Deliveries (Exclusively offered to MHS Members)

MHS cares about your health and the health of your baby. We have two programs for MHS members who are pregnant called Start Smart for Your Baby and MHS Special Deliveries. By joining either program, you will be eligible to earn more My Health Pays® rewards. Learn more about My Health Pays® on page 40.

Start Smart for Your Baby is an educational program open to all pregnant members. MHS Special Deliveries is a care management program for pregnant members. MHS Care Managers will talk to you and suggest the program that is right for you based on your medical history and your doctor's care plan.

With either program, the MHS OB Nurses are here to make sure you get the medical care and resources you need during and after your pregnancy. MHS OB Nurses can:

- Help you understand what is happening to your body during the pregnancy
- Talk about problems that may come up during your pregnancy
- Talk about what to do if you have complications during your pregnancy
- Help you make doctor appointments or schedule a free ride to the doctor's office
- Help you get a free cell phone if you need one. You can use this phone to reach your doctor, family and other important people while you are pregnant.
- Help you quit smoking or using tobacco
- Help you find more ways to earn My Health Pays® rewards by going to your OB doctor visits
- Answer any other questions about your health and the health of your baby

We want to help you take care of yourself and your baby throughout your pregnancy. Information may be sent by mail, telephone and email and is available on our website, mhsindiana.com. A home visit with an OB nurse can also be arranged.

17P (alpha-hydroxyprogesterone caproate)

MHS offers 17P to our qualifying members with a history of preterm delivery. This drug may prevent you from having another preterm delivery. If you are identified as a candidate, we will contact your treating physician to discuss the appropriateness of using this drug.

First Year of Life (Exclusively offered to MHS Members)

New motherhood brings many joys and surprises. It also brings many sleepless nights and changes in your life. We want our members to know the First Year of Life nursing staff at MHS is also here to give support. We can answer your questions and provide you with helpful information sheets to let you know what to expect as your baby grows. We will also call you and send reminders to schedule upcoming immunizations (shots) and well-child visits with your baby's doctor as they are needed.

Additional Programs

Free Birth Control Options (Family Planning)

Your birth control options are often called family planning services. This is a covered, self-referral program. That means you may go to any family planning clinic that accepts Healthy Indiana Plan. However, we encourage you to get your family planning services from your doctor or another MHS doctor. If you do not feel comfortable talking to your doctor and do not know where to get these services, contact MHS Member Services at 1-877-647-4848. Either way, family planning services are private.

Right Choices Program

To protect the health of our members, MHS participates in the Right Choices Program as directed by the State of Indiana. Members are referred to the program if they are found to be using Medicaid services more than other members. These members are then assigned to one doctor and one pharmacy. They must use these specific facilities for all healthcare needs, except for in an emergency.

Members referred to the program will receive a letter from MHS welcoming them to the program. The Right Choices enrollment period may last up to two years and may be renewed for an additional two-year period on review. However, members have the right to appeal their referral to the program within 60 days. For further questions, or if you have received a welcome letter, please call the MHS Right Choices Administrator at 1-877-647-4848.

Reasons to Quit

- **Tobacco use is responsible for 1 out of every 5 deaths in the U.S.**
- **Smokers live 10 years less, on average, than non-smokers.**
- **Smokers have more health problems and visit the doctor much more than non-smokers.**
- **The average smoker in Indiana will spend more than \$2,500 on cigarettes each year. That’s \$130,000 over a lifespan!**

There are many great reasons to quit. Ask MHS for help today.

HIP members who use tobacco have 12 months to stop tobacco use or you will have a higher POWER Account contribution (PAC). If you do not stop using tobacco your PAC payment will have a 50% surcharge applied. Please contact us today to learn about our programs that can help you quit.

Transportation

MHS HIP members receive unlimited transportation to and from doctor visits, to fill prescriptions after a doctor visit, to certain MHS member events, or to re-enroll in HIP. You can reach MHS' transportation vendor through MHS Member Services at 1-877-647-4848. After you are directed to the member prompt, say "transportation." You can speak to a live transportation representative between 8 a.m. - 8 p.m. Monday through Friday. Transportation is scheduled through a message system after hours and on weekends. All messages are returned within one day.

Please call to schedule your ride three business days (72 hours) before your scheduled medical visit. Schedule your doctor appointment before you call to get a ride. MHS may call your doctor's office to verify the doctor visit.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	Call for a ride TODAY!			Dr. Smith check-up @10 a.m.		

Here is some other information you may need to know about transportation:

- You may have up to a two-hour wait time for your ride to pick you up before your scheduled visit.
- If you need transportation due to an urgent care need, be aware it could take longer to arrive since this is not a pre-scheduled pickup. Call immediately to set up your ride.
- All transportation must be for a medical appointment that is covered by Indiana Medicaid, to pick up prescriptions after a covered medical visit, or for renewing your Healthy Indiana Plan coverage.
- If you have a life-threatening emergency, call 911 or your local emergency number.
- Children under age 16 must always ride with an adult age 18 years or older.

You may take one other person along with you. Any additional riders must be approved in advance. Transportation will try to work with your situation if you request additional riders. Transportation may refuse to transport any persons who were not approved to ride in advance.

Please have the following information available when you call for a ride:

- You or your child's Medicaid card
- Your address and phone number
- The date and time of the appointment
- Name, address and phone number of the office or clinic
- Number of persons who will be riding (patient and parent or guardian only)
- Whether you will need a wheelchair-accessible van
- Whether you will need assistance to and from the door
- Whether you will need a car seat(s). If you do not have a car seat, one can be provided for you. Transportation will refuse to transport any child without the proper safety seat.

Calling for a pickup after your appointment:

- It may take from 15 minutes to two hours for a car to arrive after you call
- Transportation can take you to a pharmacy on the way home from a doctor visit
- Please be ready when your ride arrives
- Transportation will pick you up at the same place they dropped you off. They cannot pick up multiple family members at different locations.

For information on gas mileage reimbursement or bus passes, please contact MHS Member Services.

"If you are unsure if you should seek medical attention from an emergency room for a non-life threatening event, call your doctor's office first. If you can't reach your doctor, you can call the MHS 24 hour nurse advice line."

If either your doctor or the nurse advice line tells you to go to the emergency room, your visit will be covered in full. You will not pay an emergency room copay."

MHS Healthy Kids Club

The Healthy Kids Club is a free educational program geared towards kids 12 and under. It promotes fun ways for kids to stay healthy. Kids will get a membership card and monthly e-newsletters with healthy tips and recipes. You can sign your kids up for the club at mhsindiana.com/kidsclub.

MemberConnections®

This is an outreach team of MHS staff who can help you one-on-one with understanding your health coverage and other community resources. MemberConnections can provide in-person or over-the-phone help. They will help you build a relationship with your doctor, help you understand your health benefits and put you in touch with community resources. If you are in need of transportation, food, shelter or other health programs, MemberConnections can help. Call MHS Member Services for more information at 1-877-647-4848.

Connections Plus® Cell Phone

MHS can lend a cell phone to our members enrolled in care management who do not have access to a regular phone. Connections Plus cell phones are programmed to make calls to and receive calls from the MHS Care Management team, a member's PMP, other doctors in the treatment plan, MHS' 24 hour nurse advice line and family who support the member's care plan.

Member Advisory Council

MHS invites groups of our members from around the state to talk with us four times a year. Discussions include the services MHS provides and how members feel about their doctors as well as how they feel about our programs. Members also look at our print materials and website information. MHS uses this information to make program changes based on our members' feedback. If you are interested in being part of our Member Advisory Council, call MHS Member Services at 1-877-647-4848.

Family Education Network

MHS and the Indiana Minority Health Coalition have teamed up to create the Family Education Network. The network provides face-to-face and phone benefit education to MHS members on a variety of topics. The network representatives can help explain Medicaid health plan benefits and coverage as well as an overview of MHS programs and special services available to you. Call MHS Member Services to schedule a free referral at 1-877-647-4848.

Member Ombudsman

The MHS member ombudsman program is a partnership between MHS and Mental Health America of Indiana. An ombudsman is someone who works to help you get a problem solved. MHS members can contact an ombudsman for free to discuss any problems they may be having with MHS, MHS services, MHS doctors or any other part of their healthcare. The ombudsman is neutral, so they do not side with MHS or the Medicaid program. The ombudsman will work with you to get your problem solved. If you are an MHS member (or a legal representative), please call if:

- You have questions about your MHS benefits or services.
- You want to know what your MHS rights and responsibilities are for your MHS coverage.
- You need help with the appeals process, including filling out the proper paperwork, documenting verbal appeals or guidance through the appeals process.

If you want the assistance of an ombudsman, please call them toll-free at 1-877-647-5326, 8 a.m. - 8 p.m. Monday through Friday.

PLAN CHANGES AND REDETERMINATION

MHS is your health coverage plan. You either chose MHS or were assigned to MHS to provide your health coverage when you joined HIP.

HIP now matches your health plan choice to the calendar year. You will pick your health plan once per year and stick with that health plan all year, January through December. This is your benefit year. Even if you leave the program and return during the year, you will stay with the same health plan.

Each fall, November 1-December 15, you will have the chance to change your health plan for the next benefit year. You can do this by calling 1-877-GET-HIP-9 and letting them know you want to pick a new health plan for the next year. If you like MHS, do nothing! You will be automatically re-enrolled with us for next year.

This does not change your eligibility period for the program. You still have to go through your redetermination process every 12 months. This means you need to renew your benefits by confirming information with the state to show you are still eligible for HIP. This will occur based on what month you entered the program. You will get a reminder that it is time for your eligibility redetermination. If you do not respond as directed, you could lose coverage.

Benefit Year: January – December. Your benefit limits and POWER Account reset each January.

Eligibility Period: 12 months that starts when you are approved for coverage. This can be different for each person.

For Cause Health Insurance Plan Changes

If you need to request to change your health plan outside of your health plan selection period (November 1 - December 15), you can ask for a for cause change. The following are examples of for cause reasons:

- Unable to participate in health plan selection due to not being fully enrolled in HIP at the time;
- Lack of access to medically-necessary services covered by HIP;
- A service is not covered by your doctor or healthcare facility for moral or religious objections, as described in Section 9.3.3 of the Indiana State Code;
- Related services are needed around the same time, but are not available in the health plan's network. In this case, the member's provider decides that receiving the services separately will subject the member to unnecessary risk;
- Lack of access to providers experienced in dealing with specific healthcare needs;
- Corrective action has been levied against the insurer;
- If the member is worried that the available doctor or healthcare facility will not provide quality care. Includes not complying with standards of medical care administration and significant language or cultural barriers;
- Limited access to a primary medical provider or other health service within a reasonable distance from your place of residence;
- Another health plan's formulary is more consistent with a member's existing healthcare needs; and
- Other circumstances determined to constitute poor quality of healthcare coverage.

To request a "for cause" change, please call 1-877-GET-HIP-9 (1-877-438-4479). The State will review your request.

If you want to leave MHS or your doctor because you are unhappy with MHS, please call MHS Member Services at 1-877-647-4848. We may be able to help you. Or please see page 45 for more information about complaints.

Redetermination

At the end of your eligibility year, you will need to confirm information with the state to show that you are still eligible for HIP. Contact the Division of Family Resources to find out what is required for you to continue your benefits.

You must participate in your annual eligibility redetermination process. If you do not, you may be locked out of the HIP program for up to 6 months. Letters for your eligibility come from the Department of Family Resources (DFR). You must follow the directions provided by DFR.

It can take about 45 days to re-apply or confirm your information with the state. To help you, MHS will call you and send you an email to remind you when you are 45 days from your last day of eligibility.

Don't have dental, vision or chiropractic coverage? You have the chance to POWER Up! to HIP Plus to get dental, vision and chiropractic coverage when you start your next coverage year. Make sure to pay your POWER account contribution when you receive your first invoice in the mail to enroll in the HIP Plus plan. You can learn more about this on our website at mhsindiana.com/powerup.

QUALITY IMPROVEMENT PROGRAM

“We want to hear what you think about MHS and your care. If you get a member survey please be sure to participate!”

Carmen Ruiz
MemberConnections
Representative

MHS wants to help you get the quality care you deserve. The MHS Quality Improvement (QI) program reviews all care and services you get from MHS doctors, hospitals and other services you receive. This helps ensure the care you receive is of good quality, helpful and right for you. If you want to get more information about MHS' QI program, call us or visit mhsindiana.com where you can find:

- The MHS QI summary and program description
- Immunization information for adults and children
- Standards MHS seeks to meet and exceed
- Medical record standards and practice guidelines

Member Satisfaction Surveys

As part of the Quality Improvement program, every year some members are asked to answer a survey to tell us about the care and services they receive from MHS and MHS doctors. MHS shares the survey answers with MHS doctors and uses the information to help improve member care and how we communicate with you. Your answers to these surveys are always anonymous, meaning we do not know who answered the survey. If you get a survey in the mail or over the phone, please take the time to answer and return the survey. It will help make MHS and the state healthcare programs the best they can be for you and your family.

Provider Qualifications

You have the right to see information about your doctor, specialist or other provider. You can find a provider's name, address, telephone number, professional qualifications, specialty and board certification status using our Find-A-Provider tool at mhsindiana.com. For information about a provider's medical school or residency, call Member Services. Our lists are updated any time there is a change. Or you can call us and ask for a list of providers to be mailed to you.

COMPLAINTS, GRIEVANCES AND APPEALS

We hope our members will always be happy with MHS and our providers. Please tell us if you are not satisfied with MHS programs and services, or services provided by your doctor, or if you disagree with a decision that MHS made regarding your healthcare. We have steps for handling any problems you might have.

Complaints

To make a complaint call MHS Member Services at 1-877-647-4848. MHS takes your complaints seriously. We record your complaint and follow up with you about how we can serve you better. MHS will respond to your complaint with a resolution within 24 hours. If you are not satisfied with the way your complaint is handled, or it took more than 24 hours, you can take the next step by filing a grievance.

Grievances

You or a representative can file a grievance with MHS in writing, by calling, or in person within 60 calendar days of the matter that is the subject of the grievance. If you feel you were mistakenly marked as a tobacco user, please call MHS.

Written: MHS Appeals, P.O. Box 441567, Indianapolis, IN 46244

Phone: MHS Member Services, 1-877-647-4848

In Person: 550 N. Meridian St., Ste 101, Indianapolis, IN 46204

A written grievance needs to include:

- Your name, phone number, address and signature
- Your member identification number
- The reason(s) why you are unhappy
- How you want MHS to help

You can present copies of papers that help support your case in person or in writing.

MHS will send you a letter within three business days to tell you we have your grievance on file. The letter includes your rights and the next steps you can take. All grievances are resolved within 30 calendar days. The resolution is sent to you in writing within 30 calendar days. MHS may ask for an extra 14 calendar days to make a decision. If we need more time, we will let you know in writing before the 30 calendar day deadline.

If you are not happy with the resolution, you have the right to appeal.

Appeals

An appeal is when you, your provider or your representative are not satisfied with the result of a decision made by MHS and wish to take action. This may be because you are not happy with the results of a grievance you filed, OR because you are not happy with a decision MHS made when your doctor asked for prior authorization or prior approval for some treatment, therapy, medical equipment or other medical service. To name a representative or your provider, send MHS a signed letter or consent form telling us who will be your representative.

Appeals need to be filed within 60 calendar days from the date on the letter telling you about the decision. You or your representative may write, phone, fax or email the appeal request and consent (if a representative) to:

Written: MHS Appeals, P.O. Box 441567, Indianapolis, IN 46244

Phone: MHS Member Services or MHS Appeals at 1-877-647-4848

Fax: 1-866-714-7993

Email: appeals@mhsindiana.com

COMPLAINTS, GRIEVANCES AND APPEALS

Your written appeal should include:

- Your name, phone number, address and signature
- Your member ID number
- The reason(s) why you are unhappy
- How you want MHS to help

You can present copies of papers that support your case in person or in writing.

MHS will write to you within three business days to say we received your request. Your case will be assigned to a person with the right qualifications to review your case, such as a physician or administrative manager. The person assigned will not have been involved in the original decision or the decision at the previous review.

All appeals are resolved within 30 calendar days. The result is sent to you in writing within 30 calendar days. MHS may ask for an extra 14 calendar days to make a decision. If we need more time, we will let you know in writing before the 30 calendar day deadline. If you are not happy with the result of your appeal, you may have the right to an external, independent review.

Expedited Review

If waiting the regular time for the answer to the appeal would put you at risk of serious bodily harm or injury, you may ask MHS to consider doing an extra fast review. This is called “expedited review.” To ask for expedited review, call or write to MHS as soon as possible. MHS resolves expedited reviews within two calendar days (48 hours).

External, Independent Review and State Fair Hearing

External, independent reviews may be requested for decisions made by MHS Medical Management or MHS Utilization Management:

- Based on medical necessity, or
- The service being requested is experimental or investigational

To request a review, call or write to MHS within 33 calendar days of your appeal decision. MHS will send the complete case file to an external, independent review agency that is registered with the Indiana Department of Insurance and has no connection to MHS. The independent review agency will have a same-specialty physician review the case. They will send their answer to the member and to MHS in about two weeks. MHS will pay for this review. The member may ask for both an external, independent review and a State Fair Hearing but not at the same time.

State Fair Hearing

After an appeal or after the external independent review, you may ask for a State Fair Hearing at the Indiana Family and Social Services Administration. For help requesting a State Fair Hearing, contact MHS Member Services at 1-877-647-4848 or write to the FSSA directly within 120 calendar days of exhausting MHS appeal procedures: Hearings and Appeals Section, MS-04, Indiana Family and Social Services Administration, 402 West Washington Street, Room E034, Indianapolis, IN 46204.

Care During Appeals

You are still our member during an appeal. You will continue to get all covered healthcare services for your benefit package. And MHS will continue to cover the care you are appealing until the final decision is made. If the final decision on your appeal is to deny the services, you may have to pay.

Your Appeal Rights and Choices

If MHS makes a decision about your care and you disagree, as an MHS member, you have a right to ask us to review the decision:

- You may write or call MHS to file an appeal and ask us to review the decision. You must contact us within 60 calendar days from the date MHS made its decision. If you miss that deadline, you will not be able to have the case reviewed.
- You may ask MHS to help you. If you call us, MHS will help you by filling out a member appeal.
- You may send MHS medical documentation, statements or other evidence, or any allegations of fact or conclusions of law you think we should know. You may ask your treating physician or your primary care doctor to send us information you think we should have.
- You may ask someone to represent you, like your doctor or a lawyer, a family member or another person you trust. To name a representative, send MHS a signed letter or note telling us the name of the person, your relationship with the person, and how to call or write to them. You don't have to name a representative if you don't want to.
- If you believe waiting the regular time for the answer to your appeal will harm your life or health, you may ask MHS to consider doing an extra-fast review of your case, called an "expedited review." You must ask for this as soon as possible by calling or writing to MHS.
- You may participate in resolving your case by contributing paperwork you would like reviewed and by meeting with the panel reviewing your case, either in person or on the phone. You must let us know your plan to participate in advance when you call or write to us. You may have the person you named to represent you join you in participating in the resolution of your case.
- You may review any medical records MHS has on file for you, and you may review your case file both before and during the appeal process, free of charge. To ask to see the information, please call or write to MHS.
- You may contact MHS Member Services to check on the status of your case by phone at 1-877-647-4848 or online at mhsindiana.com/contact-us.
- If you are not satisfied with the results of the MHS review of your case, you have the right to go to the next level of appeal including Independent Review, State Fair Hearing, or both.

HIP / HIP Maternity Pharmacy Appeals

You or your provider can ask for a pharmacy appeal review if Indiana Medicaid:

- Denies a pharmacy service or medication
- Reduces a pharmacy service or medication
- Ends a pharmacy service or medication that was approved previously
- Fails to give you timely service

To ask for a pharmacy appeal review, please contact MHS at 1-877-647-4848.

Appeals need to be filed within 60 calendar days from the date on the letter telling you about the decision. You or your representative may write, phone, fax or email the appeal request and consent (if a representative) to:

Written: MHS Appeals, P.O. Box 441567, Indianapolis, IN 46244

Phone: MHS Member Services or MHS Appeals at 1-877-647-4848

Fax: 1-866-714-7993

Email: appeals@mhsindiana.com

If you disagree with the appeal decision, you can ask for a "Medicaid Hearing." Send a letter to the following Indiana Medicaid address within 120 calendar days of getting your decision about your appeal. A judge will hear your case and send you a letter with the decision within 90 business days.

IMPORTANT NOTICES

Medical Decisions

MHS providers and staff make decisions about treatments for our members based on providing the best care and service possible. MHS does not reward any provider, doctor or member of their staff for denying or reducing services or payment. MHS does not reward or pay doctors or MHS staff to keep you from getting less care than you need.

MHS does not make coverage decisions based on moral or religious beliefs. You may have a request that a certain doctor or hospital cannot follow because of their moral or religious beliefs. If that happens, that doctor or hospital should tell you so you can decide if you want a different doctor or hospital to care for you. If you have an advance directive and your doctor does not follow your wishes, you can file a complaint with the Indiana State Survey and Certification Agency.

Doctor Incentives

MHS provides incentives for doctors based on the quality of healthcare provided to our members. For example, pediatricians are encouraged to make sure children get immunizations (shots). We do not give incentives to MHS doctors for not providing care. For more detailed information about MHS' incentive plans for doctors, please call MHS Quality Improvement at 1-877-647-4848.

Advance Directives

Advance directives refer to your spoken and written instructions about your future medical care and treatment. By stating your health care choices in an advance directive, you help your family and physician understand your wishes about your medical care. Indiana law pays special attention to advance directives. Advance directives are normally one or more documents that list your health care choices for when you cannot make the choices for yourself. With advance directives, you can:

- Let your doctor know if you would or would not like to use life-support machines
- Let your doctor know if you would like to be an organ donor
- Give someone else permission to say "yes" or "no" to your medical treatments

Advance directives are only used if you can't speak for yourself. It does not take away your right to make a different choice if you later become able to speak for yourself. There are many ways to make advance directives:

- Talk to your doctor and family
- Choose someone to speak or decide for you, known as a health care representative
- Power of Attorney and/or Living Will

For more information about your rights under Indiana law you can visit the Indiana State Department of Health website at <https://www.in.gov/isdh/25880.htm>.

New Treatments and Technologies

MHS has a group of physicians and staff who regularly look at new services, treatments and drugs that become available to help make sure you get good care.

Notice about MHS as a Second Payer

Sometimes someone else has to pay first for the services we provide you. For example, if you are in a car accident or if you are injured at work, insurance or Workers Compensation has to pay first.

MHS has the right and the responsibility to collect payment for covered services when someone else has to pay first.

MHS' Right of Subrogation

Subrogation is the process by which MHS gets back some or all of the costs of your healthcare from another insurer or responsible party. Examples include:

- Your motor vehicle or homeowner's insurance
- The motor vehicle or homeowner's insurance of an individual who caused your illness or injury
- Workers' compensation

IMPORTANT NOTICES

Notice about MHS as a Second Payer (cont'd)

If an insurer other than MHS should pay for services related to an illness or injury, MHS has the right to ask that insurer to repay us. MHS is subrogated to any right of recovery you have against a third person who caused your illness or injury, or any right of recovery you have against another insurance plan, including but not limited to any uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, no-fault automobile insurance coverage or any other first party insurance coverage. Unless otherwise required by law, coverage under this policy by MHS will be secondary when another plan, including another insurance plan, provides you with coverage for healthcare services.

MHS' Right of Reimbursement

If you get money from a lawsuit or settlement for an illness or injury, MHS has a right to ask you to repay the cost of covered services that we paid for. We cannot make you repay us more than the amount of money you got from the lawsuit or settlement.

Your Responsibilities

As a member of MHS, you agree to:

- Let us know of any events that may affect MHS' rights of subrogation or reimbursement.
- Cooperate with MHS when we ask for information and assistance with coordination of benefits, subrogation, or reimbursement.
- Sign documents to help MHS with its rights to subrogation and reimbursement.
- Authorize MHS to investigate, request and release information, which is necessary to carry out coordination of benefits, subrogation, and reimbursement to the extent allowed by law.
- Pay all such amounts to MHS recovered by lawsuit, settlement or otherwise from any third person or his or her insurer, or from your insurer, including but not limited to any uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, no-fault automobile insurance coverage or any other first party insurance coverage to the extent of the benefits provided under the coverage, up to the value of the benefits provided.
- If you are not willing to help us, you may have to pay us back for our costs, including reasonable attorneys' fees, in enforcing our rights under this plan.

Waste, Fraud And Abuse Of The Program

Preventing and limiting waste, fraud and abuse helps protect the healthcare programs that serve you and your family. If you think a plan member or a provider has committed waste, abuse or fraud, you have a right and a responsibility to report this. Examples of member fraud or abuse include:

- A member who lets someone else use their member ID card to get medical care
- A member who seeks to have the plan pay for drugs he or she does not need

Examples of provider fraud or abuse include:

- A provider that orders unnecessary tests.
- A provider that orders DME that you do not need.

Your safety and well-being are very important to us. If you or your family has any concerns, please call us right away. If you think a provider, member or another person is misusing the program, tell us immediately. MHS is serious about finding and reporting waste, fraud and abuse. Call our confidential toll-free hotline at 1-866-685-8664. You may also call the Indiana Family and Social Services Administration confidential, toll-free hotline at 1-800-403-0864. You will not need to give your name.

MHS MEMBER RIGHTS & RESPONSIBILITIES

As an MHS member, you have the right to ...

- Receive information about MHS, as well as MHS services, practitioners, providers and your rights and responsibilities. We will send you a member handbook when you become eligible and a member newsletter four times a year. In addition, detailed information on MHS is located on our website at mhsindiana.com. Or you may also call MHS Member Services at 1-877-647-4848.
- Be treated with respect and with due consideration for your dignity and privacy
- Receive information on available treatment options and alternatives, presented in a manner appropriate to your condition and ability to understand
- A candid discussion of appropriate or medically-necessary treatment options, regardless of cost or benefit coverage
- Participate with practitioners in decisions regarding your healthcare, including the right to refuse treatment
- Be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience or retaliation, as specified in federal regulations on the use of restraints and seclusion
- Request and receive a copy of your medical records, and request they be amended or corrected as allowed in federal healthcare privacy regulations
- Voice complaints, grievances or appeals about the organization or the care it provides
- Make recommendations about our Member Rights and Responsibilities policy
- An ongoing source of primary care appropriate to your needs and a person formally designated as primarily responsible for coordinating your healthcare services
- Personalized help from MHS staff so you can ensure you are getting the care needed, especially in cases where you or your child have “special healthcare needs” such as dealing with a long-term disease or severe medical condition. We make sure you get easy access to all the care needed and will help coordinate the care with multiple doctors and get case managers involved to make things easier for you. If you have been determined to have a special healthcare need by an assessment under 42 CFR 438.208(c)(2) that requires a course of treatment or regular care monitoring, we will work with you to provide direct access to a specialist as appropriate for your condition and needs.
- Have timely access to covered services
- Have services available 24 hours a day, seven days a week when such availability is medically necessary
- Get a second opinion from a qualified healthcare professional at no charge. If the second opinion is from an out-of-network provider, the cost will not be more than if the provider was in-network.
- Direct access to women’s health specialists for routine and preventive care, including family planning, annual women’s tests and OB service, without approval by MHS or your MHS doctor. This includes birth control, HPV tests, chlamydia tests and annual Pap smears.
- Receive written notice of a decision to deny a service authorization request or to authorize a service in an amount, duration or scope less than requested. You will receive this information as quickly as needed so your medical needs are met and treatment is not delayed. We will not jeopardize your medical condition waiting for approval of services. Authorizations are reviewed based on your medical needs and made in compliance with state timeframes.

As an MHS member, you have the responsibility to ...

- Provide information (to the extent possible) needed by MHS, its practitioners and other healthcare providers so they can properly care for you
- Follow plans and instructions for care which you have agreed to with your MHS doctors
- Understand your health problems and participate in developing mutually-agreed-upon treatment goals to the degree possible

WORDS AND ACRONYMS TO KNOW AS AN MHS HEALTHY INDIANA PLAN MEMBER

Medically Frail	<p>Individuals who are determined to be medically frail receive coverage for some additional benefits including non-emergency transportation and chiropractic services. You must contact the State in order to confirm your health condition. An individual is medically frail if he or she has one or more of the following:</p> <ul style="list-style-type: none"> • Disabling mental disorder; • Chronic substance abuse disorder; • Serious and complex medical condition; • Physical, intellectual or developmental disability that significantly impairs the individual's ability to perform one or more activities of daily living; or • Disability determination from the Social Security Administration.
Medically Necessary	Health care services or supplies needed to prevent, diagnose or treat an illness, injury, condition, disease or its symptoms and that meet accepted standards of medicine.
Member	A person who has chosen MHS as their health coverage plan and gets their benefits through MHS.
MHS Nurse Advice Line	MHS Nurse Advice Line is MHS' medical advice phone line staffed by registered nurses. MHS Nurse Advice Line is open 24 hours a day, every day of the year. Members can call 1-877-647-4848.
OTC	Over-The-Counter; refers to medications such as cold medicine and aspirin.
PDL	Preferred Drug List. Your pharmacy benefit has a Preferred Drug List (PDL). The PDL shows some of the drugs covered under the pharmacy benefit.
PHI	Protected Health Information. This is information about you and your health that must be maintained securely and is subject to laws that detail who can see the information and under what circumstances.
PMP	Primary Medical Provider, your MHS doctor. A pediatrician, general practitioner, family practitioner, internist or sometimes an obstetrician/gynecologist who has contracted with MHS to provide primary care to members and to refer, authorize, supervise and coordinate the provision of benefits. Nurse practitioners and physician's assistants associated with a contracted primary medical provider may see members seeking primary care.
POWER Account	In the HIP program, the first \$2,500 of medical expenses for covered services are paid through a special savings account called a Personal Wellness and Responsibility (POWER) account. The state will pay most of this amount, but you will also be responsible for paying a small portion of your initial health care costs. Your portion is paid through an affordable, monthly contribution to your POWER account based on income.
Prior Authorization (PA)	A decision by your health insurer or plan that a health care service, treatment plan, prescription drug or durable medical equipment is medically necessary.
Provider	Any medical, dental or behavioral health professional who may provide care for our members. Most often it refers to physicians (doctors).
Recipient Identification Number (RID)	The unique number assigned to a member who is eligible for Medicaid services. This number can be found on the front of your Medicaid ID card.
Rollover	Managing your account well and getting preventive care can reduce your future costs. If your annual health care expenses are less than \$2,500 per year, you may roll over your remaining contributions to reduce your monthly payment for the next year. You can also have this reduction doubled if you complete preventive services.
Self-Referral	A covered service a member can get without having the approval of their MHS doctor, MHS or anyone else. A member may self-refer for special services that do not require pre-service review by MHS or the Primary Medical Provider (PMP).

Covered Entities Duties

Managed Health Services (MHS) is a Covered Entity as defined and regulated under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). MHS is required by law to maintain the privacy of your protected health information (PHI), provide you with this Notice of our legal duties and privacy practices related to your PHI, abide by the terms of the Notice that is currently in affect and notify you in the event of a breach of your unsecured PHI.

This Notice describes how we may use and disclose your PHI. It also describes your rights to access, amend and manage your PHI and how to exercise those rights. All other uses and disclosures of your PHI not described in this Notice will be made only with your written authorization.

MHS reserves the right to change this Notice. We reserve the right to make the revised or changed Notice effective for your PHI we already have as well as any of your PHI we receive in the future. MHS will promptly revise and distribute this Notice whenever there is a material change to the following:

- The Uses or Disclosures
- Your rights
- Our legal duties
- Other privacy practices stated in the notice

We will make any revised Notices available on our website at mhsindiana.com.

Permissible Uses and Disclosures of Your PHI

The following is a list of how we may use or disclose your PHI without your permission or authorization:

- **Treatment** - We may use or disclose your PHI to a physician or other health care provider providing treatment to you, to coordinate your treatment among providers, or to assist us in making prior authorization decisions related to your benefits.
- **Payment** - We may use and disclose your PHI to make benefit payments for the health care services provided to you. We may disclose your PHI to another health plan, to a health care provider, or other entity subject to the federal Privacy Rules for their payment purposes. Payment activities may include
 - processing claims
 - determining eligibility or coverage for claims

NOTICE OF PRIVACY PRACTICES

- issuing premium billings
- reviewing services for medical necessity
- performing utilization review of claims

• **Healthcare Operations** - We may use and disclose your PHI to perform our healthcare operations. These activities may include:

- providing customer services
- responding to complaints and appeals
- providing case management and care coordination
- conducting medical review of claims and other quality assessment
- improvement activities

In our healthcare operations, we may disclose PHI to business associates. We will have written agreements to protect the privacy of your PHI with these associates. We may disclose your PHI to another entity that is subject to the federal Privacy Rules. The entity must also have a relationship with you for its healthcare operations. This includes the following:

- quality assessment and improvement activities
- reviewing the competence or qualifications of healthcare professionals
- case management and care coordination
- detecting or preventing healthcare fraud and abuse

• **Group Health Plan/Plan Sponsor Disclosures** – We may disclose your protected health information to a sponsor of the group health plan, such as an employer or other entity that is providing a health care program to you, if the sponsor has agreed to certain restrictions on how it will use or disclose the protected health information (such as agreeing not to use the protected health information for employment-related actions or decisions).

Other Permitted or Required Disclosures of Your PHI

- **Fundraising Activities** – We may use or disclose your PHI for fundraising activities, such as raising money for a charitable foundation or similar entity to help finance their activities. If we do contact you for fundraising activities, we will give you the opportunity to opt-out, or stop, receiving such communications in the future.
- **Underwriting Purposes** – We may use or disclose your PHI for underwriting purposes, such as to make a determination about a coverage application or request. If we do use or disclose your PHI for underwriting purposes, we are prohibited from using or disclosing your PHI that is genetic information in the underwriting process.
- **Appointment Reminders/Treatment Alternatives** - We may use and disclose your PHI to remind you of an appointment for treatment and medical care with us or to provide you with information regarding treatment alternatives or other health-related benefits and services, such as information on how to stop smoking or lose weight.
- **As Required by Law** - If federal, state, and/or local law requires a use or disclosure of your PHI, we may use or disclose your PHI information to the extent that the use or disclosure complies with such law and is limited to the requirements of such law. If two or more laws or regulations governing the same use or disclosure conflict, we will comply with the more restrictive laws or regulations.

NOTICE OF PRIVACY PRACTICES

- **Public Health Activities** - We may disclose your PHI to a public health authority for the purpose of preventing or controlling disease, injury, or disability. We may disclose your PHI to the Food and Drug Administration (FDA) to ensure the quality, safety or effectiveness products or services under the jurisdiction of the FDA.
- **Victims of Abuse and Neglect** - We may disclose your PHI to a local, state, or federal government authority, including social services or a protective services agency authorized by law to receive such reports if we have a reasonable belief of abuse, neglect or domestic violence.
- **Judicial and Administrative Proceedings** - We may disclose your PHI in judicial and administrative proceedings as required by law. We may also disclose it in response to the following:
 - an order of a court
 - administrative tribunal
 - subpoena
 - summons
 - warrant
 - discovery request
 - similar legal request
- **Law Enforcement** - We may disclose your relevant PHI to law enforcement when required to do so. For example, in response to a:
 - court order
 - court-ordered warrant
 - subpoena
 - summons issued by a judicial officer
 - grand jury subpoena

We may also disclose your relevant PHI to identify or locate a suspect, fugitive, material witness, or missing person.

- **Coroners, Medical Examiners and Funeral Directors** - We may disclose your PHI to a coroner or medical examiner. This may be necessary, for example, to determine a cause of death. We may also disclose your PHI to funeral directors, as necessary, to carry out their duties.
- **Organ, Eye and Tissue Donation** - may disclose your PHI to organ procurement organizations. We may also disclose your PHI to those who work in procurement, banking or transplantation of:
 - cadaveric organs
 - eyes
 - tissues
- **Threats to Health and Safety** - We may use or disclose your PHI if we believe, in good faith, that the use or disclosure is necessary to prevent or lessen a serious or imminent threat to the health or safety of a person or the public.

NOTICE OF PRIVACY PRACTICES

- **Specialized Government Functions** - If you are a member of U.S. Armed Forces, we may disclose your PHI as required by military command authorities. We may also disclose your PHI:
 - to authorized federal officials for national security
 - to intelligence activities
 - the Department of State for medical suitability determinations
 - for protective services of the President or other authorized persons
- **Workers' Compensation** - We may disclose your PHI to comply with laws relating to workers' compensation or other similar programs, established by law, that provide benefits for work-related injuries or illness without regard to fault.
- **Emergency Situations** – We may disclose your PHI in an emergency situation, or if you are incapacitated or not present, to a family member, close personal friend, authorized disaster relief agency, or any other person previously identified by you. We will use professional judgment and experience to determine if the disclosure is in your best interests. If the disclosure is in your best interest, we will only disclose the PHI that is directly relevant to the person's involvement in your care.
- **Inmates** - If you are an inmate of a correctional institution or under the custody of a law enforcement official, we may release your PHI to the correctional institution or law enforcement official, where such information is necessary for the institution to provide you with health care; to protect your health or safety; or the health or safety of others; or for the safety and security of the correctional institution.
- **Research** - Under certain circumstances, we may disclose your PHI to researchers when their clinical research study has been approved and where certain safeguards are in place to ensure the privacy and protection of your PHI.

Uses and Disclosures of Your PHI That Require Your Written Authorization

We are required to obtain your written authorization to use or disclose your PHI, with limited exceptions, for the following reasons:

- **Sale of PHI** – We will request your written authorization before we make any disclosure that is deemed a sale of your PHI, meaning that we are receiving compensation for disclosing the PHI in this manner.
- **Marketing** – We will request your written authorization to use or disclose your PHI for marketing purposed with limited exceptions, such as when we have face-to-face marketing communications with you or when we provide promotional gifts of nominal value.
- **Psychotherapy Notes** – We will request your written authorization to use or disclose any of you psychotherapy notes that we may have on file with limited exception, such as for certain treatment, payment or healthcare operation functions.

NOTICE OF PRIVACY PRACTICES

Individuals Rights

The following are your rights concerning your PHI. If you would like to use any of the following rights, please contact us using the information at the end of this Notice.

- **Right to Revoke an Authorization** - You may revoke your authorization at any time, the revocation of your authorization must be in writing. The revocation will be effective immediately, except to the extent that we have already taken actions in reliance of the authorization and before we received your written revocation.
- **Right to Request Restrictions** - You have the right to request restrictions on the use and disclosure of your PHI for treatment, payment or healthcare operations, as well as disclosures to persons involved in your care or payment of your care, such as family members or close friends. Your request should state the restrictions you are requesting and state to whom the restriction applies. We are not required to agree to this request. If we agree, we will comply with your restriction request unless the information is needed to provide you with emergency treatment. However, we will restrict the use or disclosure of PHI for payment or health care operations to a health plan when you have paid for the service or item out of pocket in full.
- **Right to Request Confidential Communications** - You have the right to request that we communicate with you about your PHI by alternative means or to alternative locations. This right only applies if the information could endanger you if it is not communicated by the alternative means or to the alternative location you want. You do not have to explain the reason is for your request, but you must state that the information could endanger you if the communication means or location is not changed. We must accommodate your request if it is reasonable and specifies the alternative means or location where you PHI should be delivered.
- **Right to Access and Received Copy of your PHI** - You have the right, with limited exceptions, to look at or get copies of your PHI contained in a designated record set. You may request that we provide copies in a format other than photocopies. We will use the format you request unless we cannot practicably do so. You must make a request in writing to obtain access to your PHI. If we deny your request, we will provide you a written explanation and will tell you if the reasons for the denial can be reviewed and how to ask for such a review or if the denial cannot be reviewed.
- **Right to Amend your PHI** - You have the right to request that we amend, or change, your PHI if you believe it contains incorrect information. Your request must be in writing, and it must explain why the information should be amended. We may deny your request for certain reasons, for example if we did not create the information you want amended and the creator of the PHI is able to perform the amendment. If we deny your request, we will provide you a written explanation. You may respond with a statement that you disagree with our decision and we will attach your statement to the PHI you request that we amend. If we accept your request to amend the information, we will make reasonable efforts to inform others, including people you name, of the amendment and to include the changes in any future disclosures of that information.

NOTICE OF PRIVACY PRACTICES

- **Right to Receive an Accounting of Disclosures** - You have the right to receive a list of instances within the last 6 years period in which we or our business associates disclosed your PHI. This does not apply to disclosure for purposes of treatment, payment, health care operations, or disclosures you authorized and certain other activities. If you request this accounting more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to these additional requests. We will provide you with more information on our fees at the time of your request.
- **Right to File a Complaint** - If you feel your privacy rights have been violated or that we have violated our own privacy practices, you can file a complaint with us in writing or by phone using the contact information at the end of this Notice.

You can also file a complaint with the Secretary of the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter to 200 Independence Avenue, S.W., Washington, D.C. 20201 or calling 1-800-368-1019, (TTY: 1-866-788-4989) or visiting www.hhs.gov/ocr/privacy/hipaa/complaints/.
