

Teladoc for MHS

anytime, anywhere medical advice!

Teladoc is an easy way for MHS members to get telehealth services. You can get help for non-emergency medical issues 24 hours a day. All providers are in the MHS network. Get medical advice, a diagnosis or a prescription by video or phone.

Telehealth services are there when you need them using Teladoc. You can make an appointment for a time that works for you.

Get help for:

Colds, flu
& fevers

Rash, skin
conditions

Sinuses,
allergies

Respiratory
infections

Behavioral
health*

*Behavioral health services are only for MHS members 18 years and older at this time.

Set up your Teladoc account now,
so it's ready when you need it.
