

# Edifecs Ramp Manager EDI X12 Testing Center

# Ramp Manager Capabilities

---

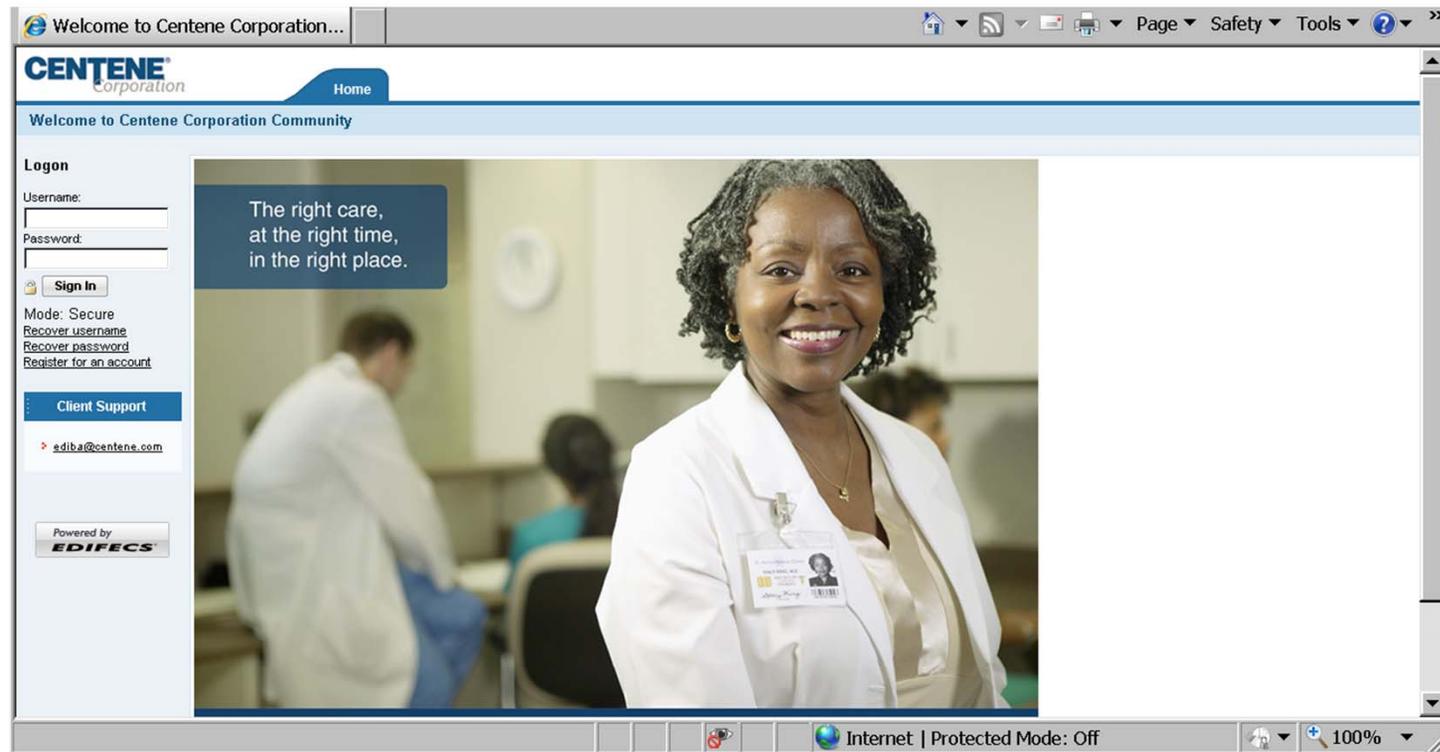

- Providers have the capability to submit compliant X12 transactions directly to Centene Health Plans without having to use a clearinghouse.
- Allows Providers to self-enroll by creating a unique User ID and Password, download the EDI Companion Documents (837P, 837I, 270/271, & 276/277), upload and test 5010 X12 837 claim & 270 eligibility files, and receive immediate results of the validation test.
- The test files are validated against HIPAA compliance rules and codes. Once the files pass testing guidelines and certification is granted, the User will be permitted to send production files and receive the appropriate responses (TA1, 999, 277ca, & 271 eligibility responses).

# Testing Process

- Enroll on the Centene Edifecs Ramp Management site: [www.centene.com/edifecs](http://www.centene.com/edifecs)
- Once the User has enrolled, it typically takes 3 to 4 weeks to complete the testing process.
- The testing process consists of completing the questionnaire, downloading the companion documents, and submitting 2 successful test files. An analyst will be assigned to help with any questions during this process.
- You may contact the EDI Support Desk by phone at (800) 225-2573 x25525, Or by email at [EDIBA@centene.com](mailto:EDIBA@centene.com).
- The following screenshots walk through the process of submitting files via Ramp Manager.

# Run Test

Upload 1<sup>st</sup> test file, then choose “Run Test”.

The screenshot displays the CENTENE Corporation Ramp Management web application interface. The main content area is titled "Complete a Validation Task" and shows a task named "270 Test #1" with a "Required" status. The interface is divided into several sections:

- Testing Instructions:** This section contains a list of four steps. Step 3, "Upload the data file to the test center," has a "Run Test" button next to it. A large red arrow points to this button.
- Test Results:** This section displays "No Files Submitted" and a message: "Please complete the testing instructions in section one above." The task status is "Not Started -- Incomplete (Action Required)".
- Test History:** This section indicates "No files have been uploaded."
- Notes and Comments:** This section includes fields for "Task Deadline:", "Last Partner Update:" (set to December 10, 2012), and "Completed Date:". There is also a "Notes" text area and an "Access Authorization" dropdown menu set to "Private".
- Administrator Settings:** This section provides details about the task, including "Task Type: Edifecs Validation Task", "Task Created: October 29, 2012", "Task Modified: December 10, 2012", and "Task Categories:".

The interface also features a left-hand navigation menu with options like "Start", "Manage", "Reference Material", "Tasks", "Inbox", "Issues", and "Participants". The top navigation bar includes "Home", "Partners", "Contacts", "Programs", "270/276 Testing", "5010 Claims", "Encounters", and "Encounters - Vendors". The user is logged in as "Maryann Osburg" and the system is running on "Internet | Protected Mode: Off".

Complete a Validation Task

Save and Close Cancel Add Issue

**270 Test #1** Required

**1 Testing Instructions**

This is a validation task. A validation task allows you to analyze your EDI data to determine if it is compliant with your trading partner's guideline. This task is complete when you successfully upload compliant data.

- Review the guideline used for validation.  
[View Guideline](#)
- Create a data file using your EDI software.
- Upload the data file to the test center.  
[Run Test](#)
- After sending the document return to this page to get the test results.
