

Indiana Medicaid Provider Panel Increase

Help meet the needs of our growing membership
as individuals transition from MDwise.

We kindly ask you to consider increasing your MHS panel.
Did you know that by increasing your panels with MHS,
it also benefits your group:

Ease of securing and keeping your previous MDwise membership

Decreased burden of submitting individual member panel add requests, saving staff time

Opportunity to earn more incentive dollars by closing Care Gaps for Pay For Performance

Increased Continuity of Care/Risk Adjustment incentive dollars available to earn
