I authorize MHS Power Account ("Company") to initiate a debit from my checking or savings account for my recurring scheduled payment via ACH. My recurring scheduled payment will be debited on the 5th of the month (or the following business day). I understand that the amount of my scheduled payment may change in the future if, for example, my insurance premium changes or my number of dependents changes, and I authorize Company to initiate debits in amounts equal to the new required premium payment plus additional service fees, if any. I understand that I can access information about the amount of my recurring scheduled payment at any time and that I will receive notification of changes in premium payments. This authorization is to remain in full force and effective until Company has received written notification from me of its termination in such time and manner as to afford Company a reasonable opportunity to act on it. I understand that automatic debits will automatically cease if my coverage ends, is terminated or my automatic debit rejects for any reason.
